

Per Olgarsson

Per Olgarsson lives in Stockholm, Sweden where he works at the City Museum of Stockholm as a preservation officer and architectural historian. He holds an MA in Art History and has studied building preservation and restoration art at Gotland University and at the Royal University College of Fine Arts in Stockholm. Since 1998 he has worked at the County Administrative Board of Stockholm and at the City Museum. He has been active in municipal planning and has headed large scale characterization projects documenting the city's modern and industrial cultural heritage. Per holds lectures on the topic for the City Museum and for universities and schools. He has co-authored several books, for example 'Hej Bostad' about Stockholms post war suburbs and 'Gasverket i Värtan' about the municipal Gasworks in Stockholm.
