Bula Friends!

The conference is at the Novotel, Lami Bay, Suva. The sessions are spread across three rooms: the Convention Centre, Novotel House and Wai Maravu. Registration and the morning sessions are generally in the Convention Centre with parallel sessions on Day 1 and Day 2. Our main activities will take place in or adjacent the Convention Centre and Novotel House, which are across the road from the Novotel Hotel reception. The Wai Maravu room and special event venues (Wai Silva Floating Room and Novotel Restaurant) are on the other side of the road within the hotel. A pedestrian crossing is located close to the Novotel main entry. Wi-fi will be available at the venues. Time has been allowed between sessions to move between rooms. A venue map is at the end of this program.
